

January 28, 2019

Dear Members,

The management and staff of the Red Deer Golf and Country Club are eager to get this season started!

A highlight will be our hosting of the 106th Canadian Women's Amateur July 22 – 26. Thanks to Phil Pattison for stepping up as Tournament Chair. The event will bring the world's top female amateur golfers to Central Alberta and our beautiful golf course.

2019 will be a year of member engagement. Couple's Nights, 9 Wine & Dines, enhanced lesson programs, and feature/theme nights in the dining room are a few of the things RDGCC members can look forward to.

Our members are our best salesman. Please invite your friends often, and encourage those considering membership to contact me at the Club office.

The Red Deer Golf and Country Club is a terrific place to play and belong. See you in the Spring...and think sunshine!
