

January 28, 2019

Dear Fellow Members,

On behalf of the Board of Directors and staff of RDGCC, I would like to welcome you to the 2019 golf season. We are all looking forward to a great season of golf and associated social activities. Hopefully the weather will cooperate and allow us an early start and favourable weather throughout the season.

As in previous years, we have a number of options available for memberships in order to meet your needs. In an effort to get more active shareholders we have reduced the transfer fees for people wishing to purchase a share. So far, this has generated a number of new shareholders and members. Please encourage others you know to consider joining our outstanding Club.

Our decision to hire a new Professional last year and take over the pro shop has proven to be a good decision. I would encourage you to continue to support the pro shop this year. Feel free to contact Dean and his staff for any of your equipment and apparel needs.

The Club is again offering a number of lesson options for our members. If you wish to take advantage of these be sure to sign up early as they tend to fill up quickly. This year we will be again hosting a few tournaments, most notably the Canadian Women's Amateur Championship. This will be a great opportunity to showcase our course at a national and international level. There will be many volunteer opportunities available and I know we can count on our membership to step forward to help out.

If you have any questions or concerns please do not hesitate to contact any Board member as we rely on your feedback as we strive to make our Club even better.

Yours in golfing,

**Ellen Van Doesburg**
